

#### **FY 2008 Results Presentation**

27<sup>th</sup> February 2009

### **Disclaimer**

This document has been prepared by Acciona, S.A. ("Acciona" or the "Company") exclusively for use during the presentation of financial results of the 2008 fiscal year. Therefore it cannot be disclosed or made public by any person or entity with an aim other than the one expressed above, without the prior written consent of the Company.

The Company does not assume any liability for the content of this document if used for different purposes thereof.

The information and any opinions or statements made in this document have not been verified by independent third parties, nor audited; therefore no express or implied warranty is made as to the impartiality, accuracy, completeness or correctness of the information or the opinions or statements expressed herein.

Neither the Company, its subsidiaries or any entity within Acciona Group or subsidiaries, any of its advisors or representatives assume liability of any kind, whether for negligence or any other reason, for any damage or loss arising from any use of this document or its contents.

The information contained in this document on the price at which securities issued by Acciona have been bought or sold, or on the performance of those securities, cannot be used to predict the future performance of securities issued by Acciona.

Neither this document nor any part of it constitutes a contract, nor may it be used for incorporation into or construction of any contract or agreement.

#### IMPORTANT INFORMATION

This document does not constitute an offer or invitation to purchase or subscribe shares, in accordance with the provisions of the Spanish Securities Market Law (Law 24/1988, of July 28, as amended and restated from time to time), Royal Decree-Law 5/2005, of March 11, and/or Royal Decree 1310/2005, of November 4, and its implementing regulations.

In addition, this document does not constitute an offer of purchase, sale or exchange, nor a request for an offer of purchase, sale or exchange of securities, nor a request for any vote or approval in any other jurisdiction.

Particularly, this document does not constitute an offer to purchase, sell or exchange or the solicitation of an offer to purchase, sell or exchange any securities. FORWARD-LOOKING STATEMENTS

This document contains forward-looking information and statements about Acciona, including financial projections and estimates and their underlying assumptions, statements regarding plans, objectives and expectations with respect to future operations, capital expenditures, synergies, products and services, and statements regarding future performance. Forward-looking statements are statements that are not historical facts and are generally identified by the words "expects", "anticipates", "believes", "intends", "estimates" and similar expressions.

Although Acciona believes that the expectations reflected in such forward-looking statements are reasonable, investors and holders of Acciona shares are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of Acciona, that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include those discussed or identified in the documents sent by Acciona to the Comisión Nacional del Mercado de Valores, which are accessible to the public.

Forward-looking statements are not guarantees of future performance. They have not been reviewed by the auditors of Acciona. You are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date they were made. All subsequent oral or written forward-looking statements attributable to Acciona or any of its members, directors, officers, employees or any persons acting on its behalf are expressly qualified in their entirety by the cautionary statement above. All forward-looking statements included herein are based on information available to Acciona, on the date hereof. Except as required by applicable law, Acciona does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

## **Changes in the Perimeter/Consolidation**

| Consolidation Changes  | 2007 vs 2008*              |
|--|----------------------------|
| <u>Change in consolidation method</u> : During 2007 Endesa was<br>consolidated under the dividend accounting method until<br>September 2007, and proportionally during the 4Q. In 2008<br>Endesa was proportionally consolidated throughout the year   | <b>x</b><br>Not Comparable |
| Divisional Reclassification: Since 4Q 2007, hospital concessions are<br>included in ACCIONA Infrastructure and the parking activity<br>consolidates as part of ACCIONA Real Estate. Previously both<br>activities were consolidated as part of ACCIONA Urban and<br>Environmental Services   | ✓<br>Comparable            |
| Perimeter Changes  | 2007 vs 2008*              |
| Endesa Disposal/Asset Acquisition: On the 20 <sup>th</sup> of February 2009<br>ACCIONA and Enel signed an agreement in relation to the<br>transmission of the Endesa stake to Enel and the integration of<br>renewable assets. The agreement is subject to a number of<br>conditions precedent. 2007 and 2008 figures have not been<br>modified to reflect the agreement | ✓<br>Comparable            |
| Disposals: During 2008, ACCIONA sold Mémora and some minority interests in certain road concessions, which only contributed during the first 9 moths of 2008, whereas during 2007 both businesses contributed the whole year   | <b>x</b><br>Not Comparable |

Note \*: Comparable = 2007 figures have been adjusted to make them comparable to those of 2008

- Independent asset appraisal by:
  - CB Richard Ellis
  - Aguirre Newman

#### Gross Asset Value (€m)

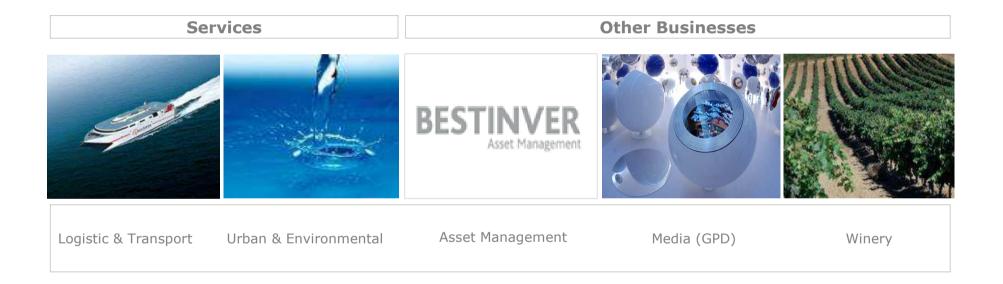

#### 2008 GAV Breakdown

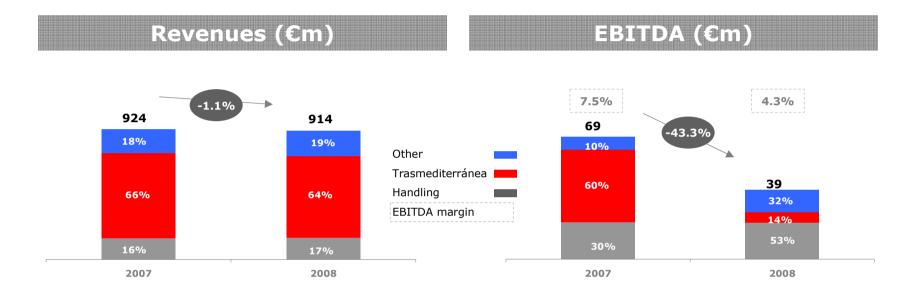

acciona

### **Services and Other Businesses**

### Logistic & Transport Services: Key Figures

- The division has suffered a severe margin contraction during the year, affecting Trasmediterránea, mainly due to the deterioration of market conditions and the rising fuel prices
  - Average cost per mile up 33% → Increase in oil cost +€19m

## Logistic & Transport Services: Trasmediterránea

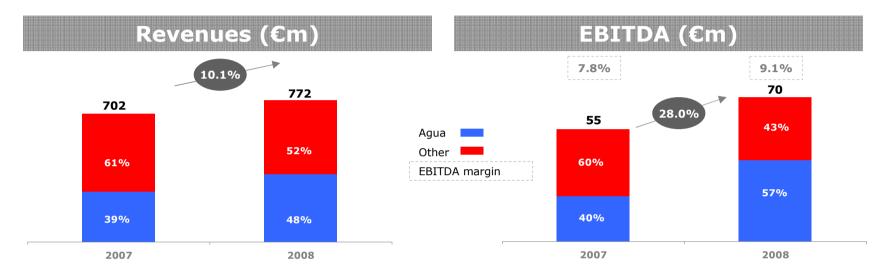

- ACCIONA is undertaking a strategic review of Trasmediterránea
- Conclusions indicate that the reorganization of certain areas will be implemented in the current environment → 2009 Restructuring Plan

| Main Measures                 | Comments   |
|-------------------------------|--|
| Line & Fleet<br>Restructuring | <ul> <li>Discontinuation of 8 ships out of a 27 ship fleet (7 owned<br/>– up for sale - and 1 leased)</li> </ul>                       |
| <b>OPEX Reduction</b>         | <ul> <li>External services</li> <li>Fuel and other</li> <li>Personnel</li> <li>Taxes</li> <li>Corporate structure and other</li> </ul> |
| Other                         | <ul> <li>Reduction of miles sailed (-11%)</li> </ul>   |

#### EGM: Approved capital increase of €110m

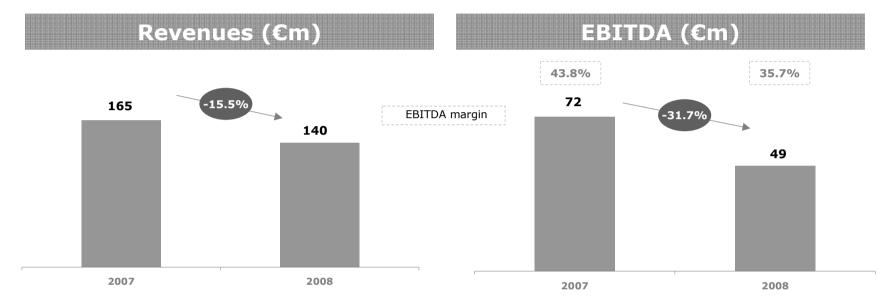

## **Urban & Environmental Services: Key Figures**

- ACCIONA Agua's revenues up 34.2% and EBITDA up 80.1% to €370m and €40m respectively
- Water business increases its weight on EBITDA of the division to 56.6% (vs 40.2% in 07)
- Water backlog as of 31<sup>st</sup> December was €3.6bn
- In Q3 Acciona reached an agreement to dispose its 75% stake in Mémora (Funeral Services). Transaction closing after clearing precedent conditions, was effective on the 13<sup>th</sup> November 2008

### **Other Businesses: Key Figures**

- Includes:
  - Bestinver
  - "Bodegas Hijos de Antonio Barceló" winery business
  - Media (GPD)
- Bestinver had €2,386m under management as of December 2008

#### Endesa

25% Stake in Endesa

### **Endesa: Contribution**

| <b>(€</b> m) | Jan-Dec 07 | Jan-Dec 08 | Chg.<br>(x) |
|--------------|------------|------------|-------------|
| Revenue      | 1,203      | 5,458      | 4.5x        |
| EBITDA       | 429        | 1,757      | 4.1x        |
| Net Profit   | 316        | 226        | 0.7x        |

- Significant increase of net financial expenses (+€896 million) mainly explained by the change in the consolidation criteria of Endesa, recognizing in 2007 the dividends paid out by Endesa as financial income
- Figures of 2008 recognize the amortization of the value allocation to assets derived from the completion of the assets valuation and definitive goodwill allocation

During 2007 Endesa was consolidated under the dividend accounting method until September 2007, and proportionally during the 4<sup>th</sup> quarter. In 2008 Endesa was proportionally consolidated throughout the year

- Post Closing Events
- Conclusions

### Conclusions

ACCIONA's future business strategy relies on three pillars under the sustainability umbrella: Infrastructures, Energy and Water

 Under a challenging environment, the sound results of the period respond to the defensive business mix of the company, together with our strong growth potential in the short, medium and long term

The agreement with Enel provides ACCIONA a flexible financial
 position to fund growth

 Future Capex allocation within three areas driven by IRR, value creation and strategic rationale
